Environmental Policy

Glazebrook House Hotel endeavours to minimise any harm to the environment and preserves the natural beauty of the South Hams and Dartmoor.

In order to achieve this we will

- Favour and promote local products for menus.
- Raise awareness of local events, festivals and cultural traditions.
- Use and promote environmentally friendly products.
- Encourage wise use of energy and resources for both staff and guests.
- Encourage recycling of waste products wherever possible.
- Support and encourage the conservation and enhancement of the natural beauty, wildlife and cultural heritage of South Hams and Dartmoor.
- Encourage socially inclusive tourism including provision for visitors with special needs.
- Encourage 'Go car free and carefree' travelling on foot, bike, boat and bus in and about the South Hams.
- Encourage use of the Public Transport network.
